

Arizona Legislators understand

'What you know' is the important part

That's why they began creating Public Notices before there was an Arizona. And, its why they require notices to be printed in local newspapers.

Otherwise, a hidden notice is no notice at all.

Public notices in our newspaper let everyone know what is happening that might affect them.

Legislators in Arizona understand an informed citizenry is the core of our democracy. "Let the people know the facts, and the country will be safe," is how Abraham Lincoln put it.

Improving Legislative Intent

Since knowing is so important, we joined the other newspapers in Arizona and also publish our Public Notices on line... www.publicnoticeads.com/az

You can quickly find notices about things that might affect you no matter where they are printed.

All notices, in one location, at no cost to the taxpayer or advertiser. It is a public service to our readers because we believe in democracy just like our legislators.
